MEMORANDUM FOR:

THROUGH:

Mr. Edward Proctor, DDI
Mr. Richard Lehman, D/OCI

SUBJECT:

Commendation from the Secretary of
Defense

During my 8 July session with the Secretary of Defense, Dr. Schlesinger on his own initiative and quite spontaneously brought up your 10 April memorandum entitled "Detente: The View from the Kremlin," which I had given him at one of our earlier sessions. He brought it up primarily to tell me that he had read it and considered it a first-class piece of work. He referred to it, incidentally, as that very good [redacted] memo on detente." I thought you would like to know that your prose has been read and was indeed appreciated by at least one high-level reader. The appreciation was deserved because it was indeed a first-class piece of work.
